

GSBDC Camp Reservation Guidelines

To reserve one of our camps, a Troop Leader can check the calendar on our website for availability, and then fill out the necessary form. The form to reserve one of our camps is on our website at: <https://girlscouts.info/TroopReservation> and must be sent to the Director of Facilities, Joe Whittington. If the calendar or form can't be accessed online, please contact Mr. Whittington at 304-345-7722, or joe.whittington@bdgsc.org, to discuss camp availability and costs.

Camping-In Training is required for all indoor overnight stays, such as lodge, dining halls, hilltop cabin, etc. Fire Building is also required if you are planning to use an open fire in the outside fire pits.

Camping-Out Training is required for any overnight stay outdoors in a platform tent, half cabin or ground tent. Fire Building and Cooking Out trainings are included in the Camping Out Training.

A certified First Aider/CPR participant must be present for any usage at any of our facilities.

Feel free to browse our available outdoor trainings at the links below:
